CODEX 1 The latest addition to my mod library is
Hollow Knight The Grimm Troupe. A fantastic off-
duty job has led you to the kingdom of the Hollow
Trees, where not only can you explore a world unlike
any other, you can play one, too! While the
traditional adventure game elements of exploring and
item finding are present, Hollow Knight comes with
some fun twists of its own, including costumes, new
enemies, bosses, and new special enemies, or npcs!
