About This Game

Hunt

Hunt down Retronauts and deorbit space stations! This is what you will be doing as the killer robot, **Destructo!** Use your abilities and weapons to get the upper hand as the perfect **ambush predator**.

Survive

Work together and activate the security system as **the Retronauts**. The security system will make sure Destructo will rest in pieces! Try not to get caught because there is only so much you can do to **resist** this dangerous robot. Use your weapons, your gadgets and **teamwork** to defend yourselves.

Avenge

Destructo will need to be careful when killing Retronauts, because every dead Retronaut will return as an indestructible **Securobot**. Build with only one purpose in mind, these robots can secure a space station with **400 rounds per minute**. Time to avenge the fallen Retronauts!

70s in Spaaaaccee

Ever wondered what would happen if you combine the **interior design of the 1970's** with space stations? Find out aboard the

space stations in Retro Rockets! Each with their **own theme, playstyle and backstory**. A luxury hotel in orbit around Earth, a corn farm burried on top of an asteroid or the headquarters of the company who build them all, C-R.A.P..
